No.: NDML/SEZ Online/2019/7

Date: 31st December, 2019

User Group: All SEZ Units, Developers, Co-developers, Customs and DC Offices.

Subject: SEZ Online System : Year Change: Reset of Important System Generated Numbers

Noting numbers of all the customs modules are reset on 1st January of every new calendar year. This facilitates start of fresh numbering series beginning from 1 of each year.

In view of the above, below important updates will be applied in SEZ Online System for change in a Calendar Year i.e. from 1st January 2020.

1. Noting number will be reset to 0 for all customs modules for all Special Economic Zones
2. Customs Security Number will be reset to 0 for all zones
3. EDF Number and Softex Number Series generated by System will be reset to 0

We request you to take a note of these updates.
