No.: NDML/SEZ Online/2020/9

Date: 29th January 2020

User Group: All SEZ Units, Developers, Co-developers, Customs and DC Offices

Subject: SEZ Online System – Handling of Budget Announcements

As you are aware the Union budget scheduled to be presented on 1st February 2020. Accordingly, the changes (*if any*) announced in the applicable duties and notifications will be taken-up for updation in SEZ Online system. Once the updation is completed, the same will be notified to the users by issuing system notice.

However, till the time the updations are completed, the system will populate the duties as per existing rate / notification structure. You are requested to check the duty rates/notifications populated by the system and compare the same with budget provisions and in case of any changes, please enter the updated duty rates/notifications and make sure that changes are adhered.

It may be noted that if any transactions are filed and assessed with old rates it may require re-assessment.
