We are all aware of the COVID – 19 situation prevalent in the country and the disruptions it is bringing in our life as well as business. It is required to follow the travel / health / social distancing advisory being issued by public administration and maintain social distance to end the menace of this virus at the earliest. NDML SEZ Online Team would be operating on BCP measures and would be working with lesser teams and possibly from non-office locations. We hope to maintain regular service level. However, in view of the scale of the impact and the measures being taken, you may experience delayed response.

In case of assistance please contact our Helpdesk team 022-49142550/51/52/54 or you may escalate to Mr. Aweinash Jadhav 022-49142549 or to Mr. Chinmay Zare 022-49142543
