

SYSTEM NOTICE – SEZ ONLINE SYSTEM

No.: NDML/SEZ Online/2020/25

Date: 13th October 2020

User Group: All SEZ Units, Developers, Co-developers

Subject: Login based Alert message for Mandatory EPCES RCMC Registration

As known to you, according to **Gazette Notification G.S.R. (771-E) dated 5.8.2016** “The Unit or the developer including co-developer shall obtain a Registration-cum-Membership Certificate for availing exemptions, drawbacks and concessions” from Export Promotion Council for EOUs & SEZs (EPCES).

In view of this MOCI & EPCES advised NDML to develop an inbuilt facility to show an alert to SEZ entities for whom registration is not complete for the prevalent Financial Year. EPCES would be providing data of registered entities and the same will be mapped for showing an alert.

SEZ Online System will now start showing an alert to all SEZ Units / Developers / Co-developers who have not registered EPCES after every login. It will also be shown to DC office users when transaction of such entity not having an active RCMC is opened.

Kindly note that this alert is for registration with “Export Promotion Council for EOUs & SEZs” (EPCES) as per gazette notification. Registration with any other Export Promotion Council will not be applicable for this alert.

In view of this all SEZ Units / Developers / Co-developers are requested to review their status and make application if RCMC is not applied for / renewed. If your registration is complete however alert is still shown, you may directly bring it to the notice of EPCES (membership@epces.in) and upon confirmation from EPCES, it will be updated in SEZ Online System.
