**Subject: SEZ Online System - Handling of Budget Announcements**

As you are aware the Union budget is being presented today, 1<sup>st</sup> February 2021. Accordingly, the changes (*as applicable*) announced in the applicable duties and notifications will be taken-up for updation in SEZ Online system after receipt of notifications. Once the updation is completed, the same will be notified to the users by issuing system notice.

However, till the time the updations are completed, the system will populate the duties as per existing rate / notification structure. You are requested to take note of the same and exercise diligence to ensure that there is no duty variation. It may be noted that if any transactions are filed and assessed with old rates it may require re-assessment.
