

SYSTEM NOTICE - SEZ ONLINE SYSTEM

No.: NDML/SEZ Online/2023/67

Date: 13th May 2023

User Group: All SEZ Units, Developers, Co-developers

Subject: Method of making payments for SEZ Online Services

Dear Units/Developers/Co-developer,

Immediate attention of all SEZ entities is requested regarding method of making payments for SEZ Online Services viz. Registration fee, AMC fee and top-up balance. Following may kindly be adhered to for expeditious processing and credits:

1. Online payment gateway should be used for making payments and it will ensure immediate credit to your account;
2. If for any exceptional reason, NEFT/RTGS payment is required to be made, following needs to be ensured:
 - a. Our bank account has changed and we would be adopting virtual ID with virtual account for each Unit / Developer. This would be a unique account against each unit so that the payments made to this account are directly mapped to the concerned Unit. While a separate email is also being sent in this regard directly to each unit, the structure of this new facility is defined below:

Bank Name	ICICI Bank
Virtual Account Number	"NDMLSZ" followed by "Entity id". Example: If your Entity id is 1046 then Virtual Account Number will be : NDMLSZ1046
IFSC	ICIC0000106

- b. No funds should be transferred to NDML without making respective payment entry in SEZ Online system;
- c. SEZ Online payment transaction must contain NEFT UTR ID.
- d. NEFT Remarks in bank payment transaction must clearly indicate Unit Name & Unit ID.
- e. All such payment entries where funds are not received within 3 days would be rejected and would need to be entered again;
- f. Any fund transfers which do not get credited to your SEZ Online account within 2 days of funds transfer and system entry, pl. write an email with details to sezinfo@nsdl.co.in

3. For all such Units/Developer/Co-developer where GSTIN is not registered under SEZ category, GST needs to be paid in addition to amount being paid towards service charges. All are advised to check whether GSTIN of SEZ category is updated in SEZ Online System through view entity details link.
4. If GSTIN of SEZ category is available but not updated in system, kindly contact DC office to get it updated on priority.

We request you to take note of the same.
